ACTIVITIES FOR WEEK OF 27 JUNE - 1 JULY

FOR: [REDACTED] 25X1
Executive Officer, NIC

FROM: NIO/AL - Heymann and Low

NIO/AL (Hans Heymann) briefed Senate Select Committee (SSCI) staffer, Charles (Chip) Andreeae on the intelligence performance on the chemical warfare issue. (Andreeae is heading a SSCI working group formed to review the entire intelligence process on the "Yellow Rain" issue.)

NIO/AL (David Low) accompanied by A/NIO/AL [REDACTED] 25X1 attended the IG Sub-group Meeting at the State Department on nuclear exports, and paid courtesy calls on State INR and policy officials to discuss the nuclear intelligence production program; met with the IC Staff and the Future Information Requirements Working Group of the Intelligence Producers Council (IPC) concerning long-range planning for the intelligence community; and continued work on the Latin American estimates for the Director.

A/NIO/AL [REDACTED] briefed Legal Counsel Mike O'Niel, House Permanent Select Committee on Intelligence (HPSCI), on nuclear test preparations in India. 25X1
